CATHY'S WEEKLY 'DUE DATE' REPORT

10/7/85

DUE THIS WEEK:

Monday, 10/7/85

Fairchild AFB (Webb) - They are to submit information (pertaining to Section 3019 of the RCRA amendments) on the potential for public exposure to hazardous waste or constituents. Note: This is an extension of the 9/25/85 due date.

Kaiser Aluminum, Spokane (Stamnes) - They were to submit a Part B permit application. However, on 5/2/85 they submitted notification of their intention to close. Therefore, a post-closure Part B is to be submitted.

Kaiser Aluminum, Spokane (Stamnes) - They are to submit information (pertaining to the RCRA amendments) on the potential for public exposure to hazardous waste or constituents. Note: This may be submitted with the information mentioned above.

Mobil, Ferndale (Fuentes) - They are to submit waste analysis and soil characterization information, and a land treatment demonstration plan.

Wednesday, 10/9/85

Union Chemical, Kenai (Webb) - They were to submit a Part B permit application. However, on 7/24/85 they submitted notification of their intention to close.

Friday, 10/11/85

→ Ridgefield Brick & Tile, Ridgefield (Stamnes) - They were to submit a Part B application. However, they previously closed their facility. (No formal closure plan approval has occurred, though.) Therefore, a post-closure Part B (or closure plan?) is to be submitted.

→ Ridgefield Brick & Tile, Ridgefield (Stamnes) - They are to submit information (pertaining to Section 3019 of the RCRA amendments) on the potential for public exposure to hazardous waste or constituents.

A response to PWT letter dated Sept 3, 85 should be incorporated with any action on the above RBT action

*WAL 906
Marcia - ~~Don't~~
FYI - we can
deal with this
during the informal
settlement conf. if
there is one.*

*Thx
Cke
P.S. - let
Bob know*
